Dear Prospective Sponsorship Partner of the Treasure Coast Boardriders Club,

Thank you in advance for taking the time to read this letter. We are the Treasure Coast Boardriders Club and we are writing to request donations and sponsorship for one of our upcoming events that we put on as part of our club's mission. We are a 501(c)3 organization that is affiliated with the Florida Boardriders Association, and our mission is to share our love of surfing with the local community through hosting member gatherings, surf movie nights, ocean safety training, surf lessons, beach clean-ups, and friendly competitions with other clubs around the state of Florida. That is our mission, and we are experiencing explosive growth in membership inquiries due to the fact many people in our community share those same passions.

If you're a local Treasure Coast business or organization looking to join us in spreading the stoke of surfing, sharing knowledge of the ocean, and giving back to the community while simultaneously promoting your brand, there are several club sponsorship opportunities available.

We have a wide range of sponsorship levels to suit different budgets and interest levels in our club. However, if you have a unique sponsorship interest in mind that is not listed, we would welcome the opportunity to discuss with you further. To do so, please feel free to reach out via email at treasurecoastclub@gmail.com or just choose a sponsorship level below and [pay online](#).
