Dear prospective sponsorship partner,

We are the Treasure Coast Boardriders Club and we are writing to request your financial support for our 2023 events. The Treasure Coast Board Riders Club is a 501(c)3 non-profit organization and our mission is to share the joy of surfing with our local communities by providing surf lessons, caring for the ocean through beach cleanups, teaching ocean safety, hosting & participating in statewide competitions, and hosting member get-togethers and video nights.

Whether you're a pro, beginner, or you're just looking to hang with like-minded members of the surf community, we would welcome the opportunity to partner with in you fulfilling our mission!
